

SUN CARE

UV Defense Clear Sunscreen SPF 50

weightless sun defense

Avoiding sunscreen because it's heavy, greasy, and gets into your eyes?

As comfortable as your favorite shirt, this lightweight, quick-drying gel sunscreen features the highest rating of PA++++ to guard skin from UVA rays that cause signs of aging, and SPF 50+ to protect against UVB rays that cause sunburn.

UV-fighting peptides, vitamin C, vitamin E, and moisture-multiplying botanicals provide broad spectrum sun protection while combating free radicals and signs of premature aging, without weighing you down.
