

MASK

TGF- β Eye Firming Mask

Firm & Brighten

sound bite: "Instant eyelift."

Revitalizing eye masks dramatically minimize the appearance of lines, dark circles, and puffiness.

Galactomyces ferment filtrate, hyaluronic acid, palmitoyl tripeptide-5, acetyl hexapeptide-8, and vitamin B5 help lift, firm & brighten eye areas while promoting collagen synthesis.

what does it do?

Reduces the look of fine lines around the eye areas

Helps improve firmness & elasticity

Minimizes the look of dark circles & puffiness

Hydrates, smooths & lifts

directions

Peel mask from paper backing. Apply gel side of mask under the eyes and close to the nose. Remove after 15-20 minutes. Do not rinse.

key ingredients

Palmitoyl Tripeptide-5 Bio-identical, lab-synthesized peptide mimics TGF to improve firmness & promote collagen

Acetyl Hexapeptide-8 Reduces appearance of wrinkles caused by repeated facial muscle movements

Green Algae Moisturizes, conditions & encourages collagen synthesis

Panthenol Moisturizes, smooths & calms inflammation
